

## HISTORY, MISSION & IMPACT

**KIND CAMPAIGN IS AN INTERNATIONALLY RECOGNIZED NONPROFIT ORGANIZATION THAT BRINGS AWARENESS AND HEALING TO THE NEGATIVE AND LASTING EFFECTS OF GIRL-AGAINST-GIRL BULLYING THROUGH THEIR GLOBAL MOVEMENT, DOCUMENTARY FILM, IN-SCHOOL ASSEMBLIES AND EDUCATIONAL CURRICULUMS.**

In February 2009, the topic of bullying was still being swept under the rug and had not yet been addressed as a mental health crisis. That is, until Lauren Paul and Molly Thompson, while finishing their degrees at Pepperdine University, joined forces. Having both been affected by bullying throughout their youth, the young women decided to create change by giving girls a platform to speak out about this universal experience. What began as an idea for a documentary about girl-against-girl bullying, ultimately became Kind Campaign, a multi-platform movement that has transformed hundreds of thousands of lives, friendships, classrooms and communities around the world.

Kind Campaign is proud to offer all of their school programs free of charge. With their documentary, assemblies, annual tours, Kind Club Curriculum, Kind Camp and their connected and deeply supportive online community, Kind Campaign serves as the premiere anti-bullying movement for girls and has impacted millions of individuals across the globe.

## PROGRAMS

“ I WAS AT THE KIND CAMPAIGN ASSEMBLY AT DRAPER PARK. YOU GUYS REALLY CHANGED MY POINT OF VIEW ON EVERYTHING. EVERY GIRL FRIEND I'VE HAD, I HAVE LOST. THIS MORNING WHEN I WOKE UP I WAS THINKING ABOUT COMMITTING SUICIDE. I CAME TO SCHOOL TODAY ON THE VERGE OF TEARS. I CAME UP AND SHARED MY KIND CARD. ONCE I GOT HOME I REALIZED THAT EVEN THOUGH SOME GIRLS CAN BE MEAN AND DON'T UNDERSTAND WHAT THEIR WORDS CAN DO THAT IT SHOULDN'T BE WORTH DYING OVER. YOUR ASSEMBLY TODAY? YEAH, IT SAVED MY LIFE.

 **rachelsharex** I was at the assembly at Draper Park. You guys really changed my point of view on everything. I can relate to everyone in the film. Every girl friend I've had I lost. This morning when I woke up I was thinking about committing suicide. I came to school today on the verge of tears. Once I got in and sat down I wasn't really paying attention. I watched the movie and I was in tears. I came up and spoke about my Thank You letter. It was about one of my best friends. He stood by me through all my hard times. Once I got home I realized that even though some girls can be rude and don't understand what their words can do that it shouldn't be worth dying over. I called my best friend and talked to him for an hour. I was just crying my eyes out. Your assembly today? Yeah it saved my life. 

**KIND CAMPAIGN FOUNDER'S ASSEMBLY:** The Kind Campaign Co-founders go on two tours a school year speaking in elementary, middle and high schools throughout America, Canada and the UK. During the Founder's Assembly, Lauren and Molly share their personal testimonies, screen their documentary film, *Finding Kind*, and facilitate life changing discussions and activities including the kind apology card, which gives every student the opportunity to write a handwritten apology to someone.

**KIND CAMPAIGN ASSEMBLY:** Kind Campaign Assemblies are facilitated by faculty and volunteers almost every day of the school year in communities across the globe. Kind Campaign provides each school with a comprehensive Assembly Guide, their documentary *Finding Kind*, and Kind Campaign's life-changing interactive activities. On average, 150 Kind Campaign Assemblies take place every school year. Kind Campaign Assemblies take place in elementary, middle and high schools. Kind Campaign offers an elementary school version of their documentary and assembly program edited to be suitable for students as young as 3rd grade. The elementary school assembly is an hour long while the middle and high school assembly is a two hour program.

**VIRTUAL ASSEMBLIES:** When the Covid pandemic hit and schools shut down, Kind Campaign immediately took action and built an online virtual assembly platform. From Fall 2020 until schools were ready to have assemblies again, Kind Campaign was the only organization in existence that was hosting virtual school assemblies directly into students homes, in an attempt to provide connection, friendship and healing for students who were feeling so deeply isolated. The Founders still utilize their virtual assembly platform to this day, to speak in schools in various countries all over the world that they would otherwise not have the opportunity to travel to.

**KIND CLUB CURRICULUM:** Kind Clubs offer a safe and supportive space for students to come together to have deep and meaningful discussions and to create stronger and healthier relationships with themselves and their peers. This year long curriculum encourages students from all walks of life to come together to create kinder and more inclusive communities and has empowered hundreds of school hallways. Introspective exercises, team-building activities and community service projects throughout the curriculum provide students with life-changing experiences and tools.

**KIND AMBASSADORS:** Kind Campaign's official volunteer program, Kind Ambassadors, gives people across the world the opportunity to spread Kind Campaign Assemblies and Kind Clubs into their local schools and communities. There are currently over 400 active Kind Ambassador volunteers creating change in their communities across the world!
